## Hose Turned on Redeptorists.

Paris, Aug. 28.—The expulsion of the Redeptorist fathers from their monastery at Les Sables d'Olonne, department of Vendee, was carried out after an exciting experience. The barricaded building was surrounded at 3 a. m. by soldiers, police and firemen. The monastery bells summoned a crowd of people to its defense, missiles were thrown out of the windows and several of the besiegers were injured. After four hours' siege the barricade was forced and the fathers retreated to the roof, where they continued their defense until dislodged by streams of water from several fire engines. Many arrests were made.

Pope Regrets Root's Resignation. Rome, Aug. 28.—The resignation of William Root as secretary of war is regretted at the Vatican, as under him the negotiations regarding the friars' lands in the Philippines were conducted with reciprocal satisfaction. However, the news that he will be succeeded by Judge Taft was received with great pleasure, the governor having left the best impression after his visit here last year and being personally known to most of the cardinals who, under the present pope, will have leading influence at the Vatican.
